DISCLAIMER: DRI CANADA may review and assess the experience and credentials for the candidate nominated as part of the Awards of Excellence determination process. Our review process and conferring of an award, does not constitute an endorsement of any individuals and does not imply any liability on the part of DRI CANADA. DRI CANADA assumes no liability for continuity or recovery from business interruption, personnel injury or loss, recovery of essential business information or financial loss, through its Awards of Excellence program.

Why are you inspired to become part of the business continuity, disaster recovery, and emergency management professions? (Maximum 250 words.)

Please provide an EXECUTIVE SUMMARY of your scholarly work. (Submit as a separate document. Maximum 750 words.)

Scholarly works (academic paper, report, project, presentation, etc.) that are relevant and add value to the business continuity, disaster recovery, and emergency management industry are eligible for submission.

DRI Canada is a non-profit organization that provides internationally recognized education and certification to business continuity, disaster recovery, and emergency management professionals in Canada. These professionals empower Canadian organizations, communities, and businesses to be resilient and better prepared for any emergency or disaster.

By developing a base of common knowledge, the DRI Professional Practices, for the continuity management profession and certifying qualified individuals, DRI encourages credibility and professionalism in the field.

DRI PROFESSIONAL PRACTICES (More info: https://www.dri.ca/professional_practices.php)

1. Program Initiation and Management
2. Risk Assessment
3. Business Impact Analysis
4. Business Continuity Strategies
5. Incident Response
6. Plan Development and Implementation
7. Awareness and Training Programs
8. Business Continuity Plan Exercise, Assessment, and Maintenance
9. Crisis Communications
10. Coordination with External Agencies
