

# THE PREP TALK BEFORE THE STORM

an interactive discussion looking at the trends in risks potentially impacting Canadian businesses and communities in the next 18 months

## About **DRI CANADA**

DRI Canada is a non-profit organization that provides internationally recognized education and certification to business continuity, disaster recovery and emergency management professionals in Canada. These professionals empower Canadian organizations, communities and businesses to be resilient and better prepared for any emergency or disaster.

By developing a base of common knowledge for the continuity management profession and certifying qualified individuals, DRI encourages credibility and professionalism in the field.

**DRII publishes the Global Trends in Risk and Resilience Report, available to certified professionals on their website.**
